MANY SERVICES HERE NEXT WEEK

Passion Week to be Observed Impressively by Churches of City.

In commemoration of the crucifixion and death of Christ, Passion week is to be observed in the various churches of the city during the coming week. Passion week has been observed every year since the first year after the death of Christ. Usually the Catholic churches place stronger emphasis upon the occasion than do the Protestant churches, but this year many of the Protestant churches will hold services each evening and others will have meetings two or three evenings of the week.

The Catholic churches will hold services every evening and during the day also. Pastors who are holding services each evening at their churches will exchange pulpits with each other.

Sunday will be observed by the churches as Palm Sunday. Sermons in accordance with the day will be delivered by the pastors of churches of all denominations. At the Catholic churches palms will be distributed to the entire congregation preceding the morning services at 10:30 o'clock. Good Friday, sacred as commemorating the crucifixion of Christ, is to be celebrated with special solemnity in the United States in both Catholic and Protestant churches.

Evening Services.
Special musical numbers with a Palm Sunday sermon will be the features of the regular morning services at Grace M. E. church. The pastor, Rev. Frank K. Dougherty, will speak on the subject "The Universal King," and music will be furnished by a special choir consisting of Mrs. G. A. Palmer, soprano; Miss Camilla Butterworth, alto; E. W. Morse, tenor, and J. Bruce Gaffill, bass.

Rev. Dougherty will address the evening congregation on the subject "The Endurance of Rejection," and the choir will render a number of selections appropriate to the occasion.

Services will be held each evening, with special sermons by the pastor. The pastor will preach on a subject in accordance with the manner in which Christ spent His last week on earth. The subjects will be: Monday, "The Day of Judgment"; Tuesday, "A Day of Speech"; Wednesday, "A Day of Silence"; Thursday, "A Day of Farewell," and Friday evening, "A Day of Suffering and Sacrifice." The sacrament of the Lord's supper will be administered at the last service.

Young People Join.
Holy week and Easter will be appropriately observed by special services at Holy Trinity English Lutheran church. At the morning service on Palm Sunday the rite of confirmation will be observed, a class of 11 young people being confirmed.

Those in the class are Ruth Ann Louise Ahrens, Robert Louis Beyers, Helen Anna Fischer, Frederick Joseph Fischer, Mabel Frances Hagey, Hazel Homuth Hagey, Clifford Alexander Humphrey, Esther Marie Johnson, Helen Elizabeth Siems, Minnie Irene Smith, and Elita Louise Thore. The pastor, Rev. Albert H. Keck, will take as his subject in addressing these young people "The Race Set Before Us."

In the evening at 7:30 special Holy week services will begin, to continue each evening during the week except Saturday. Services will also be held on Good Friday at 2:30 p. m. There will be special music by the choir at the services on Good Friday evening.

Three services will be held on Easter Sunday. At the early service at 8 a. m. the pastor will take as his subject "The Resurrection Dawn." At the chief service, which will begin promptly at 10:30 a. m., he will speak briefly on "The Joy of Easter." New members will be received at this service and the holy communion will be administered. The service at 7 p. m. will be in charge of the Sunday school and will consist of Easter songs, recitations and exercises.

Dr. Henry L. Davis, pastor of the First M. E. church, will preach on the subject "The Kingdom of Jesus" at the regular morning services and at the evening services will talk on "A Day of Judgment." Special music will be furnished by the chorus choir.

At St. Paul's M. E. church Dr. James L. Gardner will speak at the morning services on the subject "The Kingdom of Christ," and the choir will sing "Behold, the Master Passeth By," by Stevenson. Mrs. Laura Scheil and Mrs. W. H. Swartz will sing "There is a Green Hill Far Away," by Gounod, and Karl W. Knor will render as a tenor solo "Palm Branches," by Faure.

Other churches that will observe Palm Sunday with sermons and music are Trinity M. E., First Presbyterian, Trinity Presbyterian, Hope Presbyterian, Quincy Street Baptist, Ninth Evangelical, First Baptist, Swedish Lutheran, St. James' Episcopal, City Rescue Mission and others.

Notre Dame News

Prof. Leonard C. Van Noppen gave the last of his series of lectures at the university yesterday, and left in the afternoon for Grand Rapids, where he delivered a lecture last evening. Before leaving the university he presented a book to the library, one of the old Dutch masterpieces. He said that the government would consider scholarships for the leading universities and would allow \$800 a year, which equals \$2,500 in our money, for students in America who receive these scholarships. A special invitation was tendered the Notre Dame seniors to try for the scholarships.

Thirty-five members of the university glee club, under the direction of Ward Parrott, made the trip to Dowagiac, Mich., last night. The entertainment was given under the direction of the Knights of Columbus of that city. After the concert by the glee club an entertainment was tendered the university boys by the Knights.

"Public Utilities and Evaluation," one of the series of lectures on this subject, was given by Lucius B. Andrus of the local electric company in Science hall last evening.

Rev. John Cavanaugh, president of the university, attended the meeting of the Indiana historical commission in Indianapolis Friday and will return this evening.

"The Arab" is the title of the movie on this evening's program of entertainment in Washington hall at 8 o'clock.

Thirty-four names have been added to the permission list of Brownson hall, granting the privilege of going to South Bend and returning to the university by 6 o'clock. The permission is granted to those who have no demerits on April 1.

Work will begin soon on some new tennis courts for the coming season. The courts will be of clay and will probably be located near the new library. These courts, together with those already built, are calculated to satisfy in some measure the ever-increasing demand for tennis facilities. There will probably be a team organized to represent Notre Dame in competition with other colleges, with whom tournaments will be scheduled.

Sure Harbinger of Spring Appears in South Bend.

Another harbinger of spring appeared about the streets of the city Friday night. It drew the attention of many and was welcomed royally. It promises to decide arguments, provide food for chatter and to be watched for in every ward and precinct nightly for several months to come.

Now here's the story—George Hahn's amusement guide has made its appearance.

PICTURES ENTERTAIN

Many See Howe's Annual Exhibition at Oliver Theater.

Lovers of nature, lovers of wonderful photography and lovers of the "movie screen" enjoyed Lyman Howe's annual exhibition at the Oliver last evening when the first presentation of a three-day engagement was shown before a fair sized audience. The pictures will continue this afternoon and evening, also Sunday night.

Starting in with rural water scenes in France alternating with many comic scenes drawn by pen, with manufacturing scenes sandwiched between, Howe brings his audience to the United States and shows them "America First" in the wonderful scenes of Glacier National park at Yellowstone, Montana. Here the wonderful moonlight scenes on the small lakes and the rapids and falls are truly portrayed.

Another feature of the visit was the showing of the entire making and assembling of an Overland automobile at the plant in Toledo, O. Every detail from the beginning of a wheel and steering gear to the motor and body, along with the entire assembling, are vividly pictured.

Pictures of "Curious Chemicals" showing the movements of the mixing of chemicals under the "eye" of a powerful magnifying glass were well received. Howe's present tour also consists of scenes in the mountain climbing in Switzerland, scenes from the island of Madeira, Firth of Fourth bridge, in Scotland, picturesque Holland, dangerous logging in Italy, and views from an aeroplane from dizzy heights.

The usual star pianist with all mechanical "off stage" effects were in evidence throughout the entire evening.

PRAISES LABORS OF YOUNG FOLKS

Dr. Wilbur F. Sheridan Talks With Epworth Leaguers at Y. M. C. A.

Congratulations for the organizers of the new City Union of Epworth leagues were showered upon the young people last night at the Y. M. C. A. at the first annual banquet of the league, by Dr. Wilbur F. Sheridan, general secretary of the Epworth League union of Chicago. The event was to celebrate the work of the Methodist Epworth leagues of the city during three weeks. During that time they have organized into a union, with a membership of more than 500 members, and expect to raise that number to 1,000 within a few weeks.

G. E. Finney, president of the league, acted as toastmaster and spoke of the work the union has already accomplished and what plans have been made for the future. Great preparations are being made for a large delegation to the league institute to be held this summer at the battle grounds, situated seven miles from Lafayette, Ind.

Musical selections were rendered by Miss Clara Erhardt and Miss Marjorie Fields, both of the First M. E. church. Invocation was delivered by Rev. F. K. Dougherty, pastor of Grace M. E. church. It was announced that another big meeting will be held May 18, when Rev. Leon Sweetland of Lake Bluff, Ill., will be present and deliver an address.

Dr. Sheridan spoke on the subject "The Epworth League as an Organized Force," and showed the many accomplishments the various leagues over the country have made during the last few years.

"The organized Epworth league is one of the strongest forces among young people in the country," he said. "Not only is it a large growing organization, but it is doing actual things which are fast bringing it to the top of all organizations. It is one of the strong factors in the anti-saloon question and has proved itself useful in this work in a number of states."

"Only a few years ago, May 15, 1895, the first league was formed and during the past four years 3,268 charters have been granted to the young people in the various cities of the country and at present the membership runs over 38,000 members."

"At the opening of the league 12 institutes were formed to train the young people and today there are 34 institutes over the country training for the work."

Dr. Sheridan suggested that a canvass of the entire city be made by the league within the next few weeks to "get a line" on all Methodist young people of the city who are not connected with the league and through that process he declared that at least 400 more members could be obtained.

A day to be known as "Tribute to Mothers" will be held throughout the country on May 14 commemorating the organization of the league 18 years ago, when every person will be asked to present his or her mother with a white flower in respect to her. Sermons will be preached from all pulpits on that day and it will be universally observed.

WOMAN BOTHERS CATHOLIC PASTOR

As a sequel to the troubles of the Rev. Francis J. Kloss, pastor of the St. Mary of the Holy Rosary Catholic church (the independent church) and Rosa Czech, former housekeeper of the minister, suit was filed yesterday afternoon asking that the woman be enjoined from interfering with the pastor in his capacity as pastor of the church.

Rev. Kloss alleges that Mrs. Czech on last Thursday entered the church parish at 1601 Dunham st. as he was conducting a funeral service and interfered with the officiating of the funeral rites. He also alleges that the woman entered the parish on April 11 and broke a window.

Now he asks a restraining order against the woman to prevent her from entering the parish home or in any way molesting him while acting in his official capacity.

The suit filed yesterday is the anti-climax of the troubles which have arisen this year between the pastor and his former housekeeper. The first suit filed was a breach of promise case in which the woman asked \$1,000 heart balm. Rev. Kloss in turned filed charges of criminal libel. The suits were filed in January. In the latter part of March they were both dismissed.

Mrs. Czech further repudiated all the charges that she had made against the pastor to the effect that he had promised to marry her, and admitted that her suit was filed out of spite work and at the instigation of a discharged organist. She signed an affidavit to this effect. This up until the filing of the suit yesterday was the last move in the troubles which have beset the parish house.
